

Silent compressors...

FLAIRMO compressors are oil-lubricated piston compressors with an extreme low noise level starting at 45 dB(A)/1m (whispering level).

The FLAIRMO compressors are reliable and durable, and they are designed and produced according to modern standards. The compressors are delivered well tested from the factory and ready to use. They come with a 2 year warranty.

The compressors can be delivered with several receiver sizes and with one or more compressor motors mounted.

As standard, the compressors are delivered as an 8 bars version with manual drain, filter regulator and quick coupling. Versions with extended filtration and auto drain or higher work pressure can be ordered separately. Customised versions can be manufactured according to customer specifications.

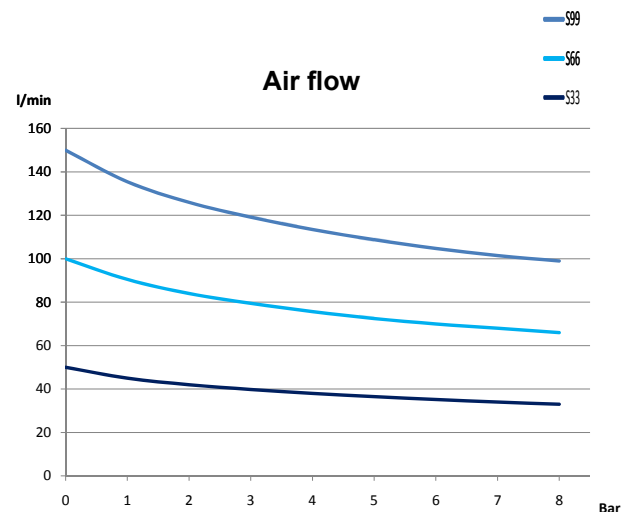

Due to the low noise level, the compressors are ideal for use, where they have to be installed close to the point of use e.g. in bicycle or jeweller stores, for transfer printers in sports stores, for nailing guns or in connection with pneumatic equipment e.g. fitness machines, for graphic equipment and in dental labs or other areas where low noise is required in the working environment.

Technical data and 2010 prices (ex. works)

Model	Voltage / Frequency	Motor HP/Kw	Air flow @ 0 bar	Air flow @ 8 bar	Receiver size	Noise level	Duty Cycle	Price DKK Ex. VAT (EUR)
S33	230V/50Hz	0,5/0,35	50 l/min	33 l/min	0 litre / motor	45 dB(A)/1m	50%	3.650,00 (490,00)
S33.4	230V/50Hz	0,5/0,35	50 l/min	33 l/min	4 litre	45 dB(A)/1m	50%	5.940,00 (797,30)
S33.15	230V/50Hz	0,5/0,35	50 l/min	33 l/min	15 litre	45 dB(A)/1m	50%	5.990,00 (804,05)
S33.24	230V/50Hz	0,5/0,35	50 l/min	33 l/min	25 litre	45 dB(A)/1m	50%	6.140,00 (824,20)
S66.24	230V/50Hz	1,0/0,7	100 l/min	66 l/min	25 litre	48 dB(A)/1m	50%	11.080,00 (1.487,25)
S66.50	230V/50Hz	1,0/0,7	100 l/min	66 l/min	50 litre	48 dB(A)/1m	50%	12.540,00 (1.683,25)
S99.50	230V/50Hz	1,5/1,05	150 l/min	99 l/min	50 litre	50 dB(A)/1m	50%	16.210,00 (2.175,90)
